Nasha Mukh Bharat Abhiyan

For this NSS unit of Government Engineering College, Dahod organized a pledge taking Ceremony for “Nasha Mukh Bharat Abhiyan” as we are going to celebrate our Independence Day” at Electronics Engineering Department on 12/08/2024.

Youth is the energy of any nation and the power of youth has an important contribution in the development of society and country. Therefore, it is very important that maximum number of youth join the drug free India campaign. Accepting this challenge of the country, today we unite under the Nasha Mukh Bharat Abhiyan and take a pledge that not only the community, family, friends, but also ourselves will be drug free because change should start with ourselves.

So let us all together take a firm decision to make our District Dahod of Gujarat drug-free.

I pledge that I will do everything possible to the best of my ability to make my country drug-free.

Jai Hind..
