

REPORT ON SAFER INTERNET DAY

Safer Internet Day is celebrated globally on the second Tuesday of February to raise awareness and promote safe & responsible use of the internet, especially for children and young people. Each year Safer Internet Day also aims to raise awareness about emerging online issues and current concerns. This year, the Safer Internet Day is going to be celebrated on 11th February 2025 under the theme of "Together for a Better Internet"

NSS unit of Government Engineering College Dahod organise to celebrate this day in seminar hall of Electronics and Communication Engineering Department. A PPT Presentation is given by Prof. Ishak Shaikh for safer use of Internet. NSS volunteers and various students of the college take part in this event. Prof. Tarunika Chaudhary, Prof. Megha M. Mahida, and Prof. Hemal R. Patel successfully organise this event.
