National Service Scheme (NSS)

Not Me But You

ROAD SAFETY AWARENESS PROGRAMME

Event Report

1. Introduction

The National Service Scheme (NSS), Government Engineering College, Dahod organized a **Road Safety Awareness Programme** to create awareness among students and the community about safe and responsible road use.

The programme emphasized the importance of following traffic rules, using safety equipment and adopting responsible behaviour while travelling on roads.

3. Event Details

Programme	: Road Safety Awareness Programme
Organized By	: National Service Scheme (NSS), GEC Dahod
Institution	: Government Engineering College, Dahod
Participants	: NSS Volunteers, Students & Staff
Date	: 20-08-2026
Time	: 11:00 AM
Venue	: Seminar Hall, Electrical Engineering Department, GEC Dahod
Patron	: Dr. K. B. Judal, Principal
Speaker	: RTO Dahod

2. Objectives

- To create awareness about road safety rules and responsible road behaviour.
- To encourage students to follow traffic signals, lane discipline and other road regulations.
- To promote the use of helmets and seat belts and discourage unsafe driving practices.
- To develop a sense of responsibility towards pedestrians, cyclists and other road users.

4. Key Highlights

- Students and NSS volunteers actively participated in the awareness activities.
- Participants were sensitized about traffic rules, road signs and safe travelling practices.
- The programme highlighted the importance of helmets, seat belts and avoiding distracted driving.
- The activity encouraged students to become responsible and safety-conscious road users.

5. Conclusion

The Road Safety Awareness Programme provided an effective platform for students to understand the importance of safe and responsible road behaviour.

The initiative strengthened the spirit of social responsibility among NSS volunteers and encouraged participants to contribute towards safer roads and a safer community.
