Date-08-10-2025: Webinar with Dron Didi Scheme

Government Engineering College Dahod organized today a webinar cum seminar on Namon dron didi and lakhpati didi Scheme in seminar hall under the celebration of Vikas Saptah-2025 from 02:15-03:30. The Namon Drone Didi Scheme is launched by Prime minister Sri Narendra Modi ji on November 30, 2023, is a transformative initiative aimed to empowering rural women by integrating advanced drone technology into agriculture this scheme is also called as the Lakhpati Didi Scheme. It is a central sector program which is designed to uplift women of Self-Help Groups (SHGs) under the Deendayal Antyodaya Yojana – National Rural Livelihood Mission (DAY-NRLM) by equipping them with drones for agricultural services. A Lakhpati Didi is a Self-Help Group member who earns an annual income of Rupees One Lakh (Rs. 1,00,000) or more. This initiative enables diversified livelihood activities, by ensuring convergence across all Government departments, Private sector and Market players. The strategy of the scheme includes focused planning, adequate and timely support on assets, finance, market, technology etc., implementation and monitoring at all levels. Srimati Shanti vishwkarma of Dogargadh, Chhatigarh, who is the famous drone didi in india deliver their experience and encourage students by providing Knowledge about the drone application in agriculture. Faculty members and students are actively participated during the events.
